### **City to Hold Public Forum to Solicit Input on Police Chief Search**

BAINBRIDGE ISLAND, January 8, 2013 – The City has scheduled a public forum next week in order to receive input related to the search for a new police chief. Last month, the City engaged the firm Strategic Government Resources (SGR) to lead in this search. SGR will facilitate the forum to allow citizens to share their thoughts and feedback on what qualifications and attributes are desired in the next police chief.

The forum will be held in the Council Chamber on Tuesday, January 15, from 6 to 8 pm.

“It’s very important to me that SGR hear directly from island residents about the qualifications and characteristics desired in potential candidates,” said City Manager Doug Schulze. “The consultants will then use this input when developing the police chief position profile.”

Those citizens unable to attend the forum are welcome to submit suggestions and feedback via email to [cityadmin@bainbridgewa.gov](mailto:cityadmin@bainbridgewa.gov). This information will be forwarded to SGR for their review.
